## Special points of interest:

- Miles Everard demonstration at Crimora Center meeting
- Crimora Scout troop visits our October meeting
- 

## Chapter and Verse

**Miles Everard demonstration** —Miles Everard did a demonstration of making Christmas ornaments. He showed making a small angle and a orb ornament with a finial.

**Crimora Scout troop** — The Crimora Scout troop paid a visit to witness Mile's demonstration on how to make Christmas ornaments. About 10-12 Scouts, along with two leaders attended our meeting.

**More demonstration schedule shifts** — We have a couple more slight shifts in our demonstration schedule.

**November 21—Ray Jones** will do turning to dimensions.

**January 23—Elbert Dale** will do "Taming of the Skew—II"

**February 20—Ron Rosenthal** will do "From Board to Bowl in 50 minutes"

**April 17 —Fred Williamson** was scheduled to do "shaping the edge of a bowl after turning" at our December meeting. Since December is a very busy month for Fred, his demonstration will be moved to our April meeting and, as usual, we will have open turning at our December (Miller School) meeting.

## President's Corner

If you can make it, the Virginia Woodturning Symposium should be a chance to get great exposure to some very good turning demonstration, plus see all of the latest woodturning tools and gadgets. If the last Virginia Woodturning Symposium (2004) is anything to go by, this event should be super. This will be the second bi-annual symposium for the Virginia woodturners club sponsored event. The first was held in 2004 at our former meeting place, The Outlet Village, and it was a very good event from all aspects.

The club will furnish soft drinks, ice, cups, and paper goods at our December meeting. Members are encouraged to bring some ap-

propriate Holiday snacks (cookies, dip, etc.).

On a personal note, if you happen to be in the central Ohio area (Dresden), make an effort to take in the Longaberger Basket Company. They have a tourist attraction center, plus a factory tour. The Longaberger company was started by Dave Longaberger, making woven wood baskets, I believe in the 80's (I should have paid more

attention to the tour information. It is now a \$billion per year company, continued by two of Dave's daughters (David died in the late 90's, when he was in his mid-60's). The factory is just under **900,000 square feet**, under one roof, and they turn out 35,000 baskets **per day**. The corporate headquarters is a seven story building shaped in the form of a woven basket (see the picture above).

## Turner's Tips

No turner's tips this month.

## Mile's Demonstration

---

Here is Miles at the lathe at the beginning of his demonstration.

Miles did a demonstration on making an angel ornament and how to make a globe like ornament, with a finial.

A shot from the back of the room.

## Show and Tell

---

Sorry, I gapped out and didn't get any Show and Tell pictures for the October meeting.

---

*This is an ongoing column, dedicated to bringing you biographies of our CVW members.*

*Each month we try to bring you at least 2-3 new member's biographies to help us all become more familiar with our fellow club members.*

## Getting To Know Our Fellow CVW Members

Bio's on the way this month:

- No new bios this month, but I did get some pictures, so hang on just a little longer and I'll get some out there.

## Coming Shows, Symposiums, Events, etc.

The **Virginia Woodturners** (including our own CVW) will host their **second semi-annual symposium** November 4th and 5th in Daleville, VA, which is about 10 miles north of Roanoke. The symposium will be held at the Greenfield Education and Training Center, just 3.5 miles off I-81 (exit 150B) on US220N. Go to [www.virginiawoodturners.org](http://www.virginiawoodturners.org) for registration and for special rates on hotel accommodations in the area. This symposium is a **must** for all CVW members. The last symposium, held at the Outlet Village, was great. The coming event promises to be even better.

The website for the second annual **Desert Woodturning Symposium** is up and running at: [www.desertwoodturninggroundup.com](http://www.desertwoodturninggroundup.com). It will be

held again in Mesa, AZ on Saturday and Sunday, February 10 and 11, 2007. Download the registration form from the website and mail to the address bottom center of the page, Attention: 2007 registration. They are now accepting MasterCard and Visa credit cards. You can call or FAX your registration form to 480-726-7594. Mike Lucckino, President AZ Woodturner's Association.

## New Guests and New, or Potential Club Members

### New Members, or potential members (first timers):

- Bill DePari
- Tom Boxler

**Note:** Guests are invited to attend without any fee. After a meeting, or two, if you enjoy the club, our dues are \$20 per year (with so little left in the year, we can reduce this to \$10 for the remainder of 2006).

If you have joined CVW within the last 2-3 months and have not been introduced in the club newsletter, please send me an email so I can include your name in the new members column.

Send attention: [rdearing@rica.net](mailto:rdearing@rica.net).

**Also Note:** We need per-

sonal bios from many members for the "Getting to Know Our Fellow CVW Club Members". Please take a few minutes to respond to the bio questionnaire that has been emailed to you. This is much easier than doing personal interviews with each person. If you don't have email, talk to Ron Dearing about a questionnaire.

Members that we still need biography information include:
