Bead Bowl/Box Guidelines

Beads of Courage members may receive thousands of beads. It is desirable for your boxes to hold them all. As a result, turned or rectangular lidded boxes need to be large.

- **Dimensions:**
 - Interior for turned boxes: 6" diameter (5" min.), 5" height (4" min.)
 - Interior for flatwork boxes: 4"x6"x4"
- **Base and lids:**
 - Box bases should be wide enough so the box is stable and does not tip over easily.
 - Lids for Beads of Courage boxes should be easy for small or ill children to remove or lift. Any finials should be easy for a small child to grasp and not too elaborate so they don't break.
- **Design considerations:**
 - Avoid excessively elaborate designs that may easily break or be damaged;
 - Donate \$25 to receive BOC logo beads to include anywhere within or outside the box if able at <https://bit.ly/logobeads>
 - A donation of \$25 will provide you with 20 Beads of Courage logo beads.
 - Each logo bead comes with a Woodworker Artist card where you can include your personal signature. While these beads are not mandatory, but we appreciate how they connect your art with our mission. Our members love to know who made their beautiful gift!
- **Finishes:**
 - Bowls must be safely sealed. Please use a safe finishing process without toxic materials. Bowls that have not been properly sealed can harbor mold which is dangerous to our members with compromised immune systems.
 - Do not use finishes like linseed oil or other finishes that take a long time to outgas.
 - Refrain from painting the boxes. Instead, highlight the beauty of the wood with clear varnish, a stain, and/or burning.
