***We are in need for donations for both the Shenandoah Valley Arts Center and the Cheese Shop. Please bring something the next time you come to the Crimora Community Center.***

## **Shenandoah Valley Arts Center**

Dennis Hippen has created an opportunity for the Club to sell items in the Shenandoah Valley Arts Center (SVAC) at 126 S Wayne Ave in Waynesboro. All woodworking items are welcome for donation from club members including bowls, spindle work (including pens) and flat work (e.g. cutting boards). Please use the shelf in the back room for donations. The Center will provide a display stand and manage the sales. This is a great opportunity for the Club to earn funds to offset the increasing costs of demonstrations and to keep our dues low. SVAC gift shop price points are \$40-80 range and often sell items that are \$150+. Marc Steck has volunteered to be the coordinator between CVW and SVAC. Thanks Marc!

## **Cheese Shop**

We are need of more items for the Cheese Shop. Please consider items other than bowls. Boxes, vases, and unusual items sell well, plus provide a variety for customers to consider buying.

Please bring items to the Skills Center when it is open and leave them on the shelf in the back room. Please to not take them to The Cheese Shop yourself so we can manage inventory.

If you haven't visited The Cheese Shop, please do so to see what we offer. Feel free to straighten the display if it seems in disorder. If there are easels without items on them, you can place them in the tote under the shelf. While you're there, feel free to introduce yourself to the manager, Todd Anderson, and thank him for working with club. He is an Honorary CVW Member.

Thank you for all your help in making The Cheese Shop a successful source of income for the Central Virginia Woodturners.

## Turners' Corner

Drop-in Saturday – Dennis Hippen

Another lively crowd at Drop In with many great questions and much advice to help all. We had 14 members and killed the donuts brought by Jeff. Learning on steroids.

## Show and Tell

The best way to share Show-and-Tell items is at the monthly meetings. Here all members get a chance to share their work, solicit suggestions as well as creative criticism and learn something new. Members get to ask questions and see the work close up. The newsletter is also a way to share your creations, but this medium is missing the interactive element. Please bring your work to the meetings to start a discussion! If you have photographs for the Newsletter, please send to [newsletter\\_editor@centralvawoodturners.org](mailto:newsletter_editor@centralvawoodturners.org).

Everyone must be taking off this month...

Please bring your show and tell items to the next meeting – it is a lot more fun that way.
