Next Meeting

Tuesday, October 21, 2025, 6:30 PM

Turning Christmas Ornaments and the Skew
Gary Conley

Annual Meeting and Elections of Officers

Please plan on attending this month so we can have a quorum for the election. There have not been any nominees or volunteers, so the slate of officers is the same as this year's officers as listed on the last page of this Newsletter.

Please check out the years meeting plans on the website [Calendar](#) page.

Special Note for Members

There are a lot of free publications from Richard Landreth in the back room, free for the taking!

Next Skill Center Session

Skill Center and Mentoring Sessions are held on the 2nd Saturday of each month from 9AM-Noon. The Club Store will be open at this time. New and prospective members are always welcome. Please contact [Jim Oates \(Woodturning Skills Center Coordinator\)](#) if you have a specific request.

The last Skills Center Session had 18 attendees.

Drop-In Saturday Skills Center Session

Members can use the Skill Center on the 4th Saturday of each month from 9AM until 12:00 PM. Jeff Corwin and Alan Driver have organized an additional Saturday where members can utilize our Skill Center for projects or instruction. Members of all levels of turning skill are invited to work on challenges or get help with specific projects or techniques working with members of CVW's mentoring and instruction team. Members are encouraged to let Allen and Jeff know if they have projects or learning goals that they would like to have addressed in the upcoming session.

Back Room Clean-up

Thanks to Dennis for organizing a massive clean-up of the back room!

We are in need for donations for both the Shenandoah Valley Arts Center and the Cheese Shop. Please bring something the next time you come to the Crimora Community Center.

Shenandoah Valley Arts Center

Dennis Hippen has created an opportunity for the Club to sell items in the Shenandoah Valley Arts Center (SVAC) at 126 S Wayne Ave in Waynesboro. All woodworking items are welcome for donation from club members including bowls, spindle work (including pens) and flat work (e.g. cutting boards). Please use the shelf in the back room for donations. The Center will provide a display stand and manage the sales. This is a great opportunity for the Club to earn funds to offset the increasing costs of demonstrations and to keep our dues low. SVAC gift shop price points are \$40-80 range and often sell items that are \$150+. Marc Steck has volunteered to be the coordinator between CVW and SVAC. Thanks Marc!

Cheese Shop

We are need of more items for the Cheese Shop. Please consider items other than bowls. Boxes, vases, and unusual items sell well, plus provide a variety for customers to consider buying.

Please bring items to the Skills Center when it is open and leave them on the shelf in the back room. Please to not take them to The Cheese Shop yourself so we can manage inventory.

If you haven't visited The Cheese Shop, please do so to see what we offer. Feel free to straighten the display if it seems in disorder. If there are easels without items on them, you can place them in the tote under the shelf. While you're there, feel free to introduce yourself to the manager, Todd Anderson, and thank him for working with club. He is an Honorary CVW Member.

Central Virginia Woodturners

A Registered Chapter of the American Association of Woodturners

Thank you for all your help in making The Cheese Shop a successful source of income for the Central Virginia Woodturners.

Beads of Courage

UPDATE: We now have an outlet for Beads of Courage bowls. Please consider donating to the Cheese Shop or SVAC. There are BoC buttons in the collection box in the back room.

Show and Tell

The best way to share Show-and-Tell items is at the monthly meetings. Here all members get a chance to share their work, solicit suggestions as well as creative criticism and learn something new. Members get to ask questions and see the work close up. The newsletter is also a way to share your creations, but this medium is missing the interactive element. Please bring your work to the meetings to start a discussion! If you have photographs for the Newsletter, please send to newsletter_editor@centralvawoodturners.org.

Please bring your show and tell items to the next meeting – it is a lot more fun that way.

Jeff Corwin

The Captive Rings demo was perfectly timed for my 9-month-old grandson's visit. He was completely intrigued by the rings. (I put a #10 nut inside the hollow ball at the end.)
